1. Seleccionar download now

The screenshot shows the RStudio website's pricing page. At the top, there's a navigation bar with links for Products, Resources, Pricing, About Us, and Blogs. Below this is a table with five columns representing different RStudio products: RStudio Desktop Open Source, RStudio Desktop Commercial, RStudio Server Open Source, RStudio Server Pro, and RStudio Server Pro + RStudio Connect. The table lists features like One-Click Publishing, Self-Managed Content, and Scheduled Reports, along with their respective licenses (AGPL or Commercial) and pricing (FREE or \$995/yr, \$9,995/yr, and \$29,995/yr). At the bottom of each column is a green button labeled 'DOWNLOAD NOW' or 'CONTACT SALES', with a 'Learn More' link below it.
